- Need not to install any DG sets as battery backup power is available.
- Manufactured by professional enterprise having experience of more then 2 decades in same field .
- Manufactured and designed with assurance of MAXIMUM UPTIME & MINIMUM DOWNTIME.
- =Nitel= HYBRID POWER SOLUTION only designed & manufactured at par with nationally available products and available for PAN INDIA customer.

HOW IT WORKS

- =Nitel= HYBRID POWER SOLUTION only will generate power & feed to PCs, ATM, Survellance System, EPABX; Fan & Lights.
- =Nitel= HYBRID POWER SOLUTION only will charge batteries, too.
- If solar power is not adequate then will take required power from batteries.
- If battery reaches to it specific voltage level then =Nitel= HYBRID POWER SOLUTION only will take power from Electical Source, otherwise Electrical Source is in stand by condition.

IT CONSISTS OF ..

- Pre assembled, Pre wired, Ready to use, User friendly, Plug & Play, HYBRID POWER SOLUTION only.
- 25 kWp Solar PV Array, which can generate up to 168 kWh/ day subject to climate condition.
- SMF Battery bank which can store 96 kWh electricity.

PRODUCT RANGE
- Online UPS
- HT & LT Industrial AVR
- Servo Stabiliser
- Ultra Isolation Transformer
- Automatic Power Factor Control Panel
- Maximum Demand Control Panel
- Special Control Panels

SERVICES
- Power Quality Management
- Energy Audit Study

SINCE 20 years

More then 3000 Satisfied Customers
